

The logo is a hexagon with a light green background. Inside the hexagon, there is a large, faint, light green triangle. Overlaid on this is a smaller, darker green triangle. Within the darker green triangle, there are two smaller triangles: one on the left in a teal color and one on the right in a medium green color. These two smaller triangles are positioned such that they appear to be meeting at a point in the center, with a small white triangular gap between them. Below this geometric arrangement, the word "INVITRIOL" is written in a bold, dark grey, sans-serif font.

INVITRIOL

LEVIATHAN
